-- What the T. V. R. R. Co. deems an enterprise was to run an extra train (passenger) over its road daily. This is by no means a great ac commodation as both freight and passenger trains run north and south about the same times and more still the fool thing comes to Coming and stops. If it was started at a time to run to Bigelow and make connection with the branch train there, the patrons along its line could go to St. Joe, and return the same day, as it is "its" no good.

Troubles Increasing.

Word has co en received at Winnipeg, Manitoba, that the Indians have crossed from the An vrican side and are now committing de redations in the Turtle Mountain district, which is in the southwestern portion of this province (Manitoba). Premier Norquay sent a dispatch this atternoon to Caron, Minister of Militia, informing of the asked that immediate action be taken.
